

CHAMPIONS OF ARTS EDUCATION ADVOCACY **AWARDS CEREMONY ADVERTISING**

This year's Awards Ceremony will be a streamed remote video version of our live event. Awardees and their nominators will speak about the meaning of the awards and the work each person has done to receive it. As usual we will have a lively celebration of arts education.

This is a great opportunity for our supporters to advertise their programs and products. Our advertising levels offer a range of opportunities to support Arts|Learning. All levels include a full year A|L membership, a listing on our website, and in our monthly e-newsletter for the year.
